

Sun City Hilton Head Computer Club  
Minutes of the General Meeting  
September 21, 2017

**Opening Remarks:** Mark Davis

Good Afternoon, I would like to begin by welcoming back all snowbirds in the audience, all full-timers who endured the heat of our summer weather and all survivors of Hurricane Irma! Can you believe the first day of Fall is tomorrow! At this time, I would like to recognize Honey Burt and Bill Dreyer both of whom were selected as our 2017 Rasmussen Award recipients, the highest award for service that our club awards each year. Additionally, we are recognizing Bill and Honey as our Volunteers of the Month for September. At this time, I would like Honey and Bill to join me here at the lectern. (Presentation of awards to Honey and Bill). Honey and Bill were originally recognized for the Rasmussen Award at our yearly Volunteer Party in May. I felt that it was important to follow up with providing each of them with a certificated at our first Fall Membership Meeting so that our members are aware of this of their service to our club.

In closing, many of you may not be aware that I experienced a medical intervention during late May and the entire month of June, as well as having been out of the country in April cruising the coast of South America with my wife. During that time Chuck Cameron, our club's Vice President, stepped up and took charge of all club activities until I was able to return. Chuck, please join me here at the lectern. (Recognizing Chuck for his service to the club.)

Carol Treanor the lectern is all yours to present the Treasurer's report.

# Committee Reports

## **Treasurer: Carol Treanor**

Since we last met in April, we have taken in income of \$3,301 consisting dues of \$1,940, education fees for classes of \$793 and printing fees of \$568. During the same period we spent \$11,600 primarily \$3,664 for the volunteer party, \$2,885 for our annual subscription for Ancestry Library and \$3000 to replace 9 monitors. This gives us a checking account balance of \$24,858, a CD of \$20,921 for total assets of \$45,779.

## **Membership: Brian Gilroy**

## **Monitors: Wes Reutter**

To date, 42 Monitors have logged 1387 hours of service.

## **Education: Robin Seaver**

We just completed our first week of fall Computer classes. We have a few seats left in September classes next week. October classes are posted under the Classes menu, Next Month tab, and will go on sale starting at 1 pm Friday 9/22.

## **Programs: Honey Burt**

I will introduce Rich DeAsla, our speaker for today, and also mention our October Program presented by Hugh Dinwiddie

Respectfully submitted,

Norma Stewart, Secretary
