

2025 ABOUT COMPUTER CLUB SERVICES

Welcome to the Sun City Hilton Head Computer Club, one of the largest Sun City clubs. The Computer Room is in the Yemassee Craft Center, nestled between the Art Club and the Photography Club. The Open Room is filled with computers, scanners and printers including PC desktops running Windows 10 and 11, laptops, Chromebooks, Apple computers, and scanners for converting photos and slides to a digital format. All members may use this equipment. The monitor on duty can answer basic questions to help you get started. General membership meetings are the third Thursday, September through November and January through March with the mini club fair at 2:15 and meetings beginning at 2:30 in the Pinckney Hall Ballroom.

Computer classes are taught in a fully equipped classroom with state-of-the-art computers and other electronics to provide a true learning experience on a plethora of computer topics all taught by our volunteer members. Class registration information is emailed to all members regularly.

Walk-In Help Sessions: Free, walk-in help for Android, Apple and Windows devices as well as assistance with other things including Google, Facebook, streaming and digital scanning are available to any member of the Computer Club. Help sessions are Tuesdays, Thursdays and Saturdays, 10:00 am to noon and Wednesdays, 2:00 pm to 4:00 pm. The help session Sunday, 1:00 to 3:00 pm, focuses primarily on Digital Scanning. Information about the specialty areas of our volunteer helpers can be located at: <https://schhcchelp.blogspot.com/>

Facebook Page: A resource where most club updates are posted and where questions related to computers and streaming are asked and answered. [SCHH Computers, Tablets and Smart Phones | Facebook](#) This is a private Sun City group and your name and address must be provided to join. Contact: Toni Valenstein, tenquilt@gmail.com

The **Special Interest Groups (SIGs)** are open to any computer club member at no additional cost are:

Apple SIG: Provides support for most Apple products, including Macs, iPads, iPhones, AirTags, AirPods, Apple TV, and Apple Watch, including information about purchasing a new Apple product according to your needs, transferring information from an older device to a new one, and help with using the software included with your device. Meeting date: Third Monday, September through April, 4 – 5 pm, Hidden Cypress Contact: Noah Rosenstein, nbrosenstein@gmail.com

Computer Club Hour (CCH) SIG: Informal meetings with presentations covering a wide range of topics and platforms. Creative, innovative, or practical; a CCH session can be any or all of these. Meeting date: Fourth Friday in October, second Friday of November and December, and second and fourth Fridays from January through May, 10 – 11 am, Pinckney Hall Ballroom. Contact: Bill Altman, wolfaltman@gmail.com

Genealogy SIG: Begin researching your family tree and use subscription websites available in the Computer Room such as Ancestry Library Edition, Family Tree Maker, Fold3, Newspapers.com, and Roots Ireland. The Genealogy SIG also has a 24-year library of electronic magazines from Family Tree magazine. Genealogy help sessions are available on each month's second and fourth Wednesdays. Meeting dates: First Thursday, 7 - 8 p.m. September through May, Hidden Cypress. Contact: Jim Bowden, jbowden432@msn.com

Microsoft SIG: Topics range from safe mail to recycling electronics to improving PC performance. This SIG also produces an email called: Maureen's Microsoft Tips & Tricks for leading-edge insight and pertinent PC news articles. The Microsoft SIG meets the second Wednesday, September, October and January through May, 3 - 4 pm, Hidden Cypress. Contact: Dennis Shea, job4shea@gmail.com

Skywatchers SIG: If you're interested in understanding the universe around you through space science and astronomy then this is the SIG for you. Some meetings occur outside of our normal schedule during special astronomical events such as Solar and Lunar eclipses and major meteor showers or a particularly bright comet. Meeting dates: Second Tuesday, September through May, 7 - 8 p.m. Lakehouse Ballroom. Contact: Jerry Jeffrey, jrj451@gmail.com
