Opening Remarks: Sherry Conrad - Welcome to the November membership meeting of the Computer Club. I'm glad you were able to set aside some time from your afternoon schedule to join us today!

There won't be a general membership meeting in December so our next general membership meeting will be January 15, 2026 in Pinckney Hall Ballroom.

Our last General Meeting was on October 16, 2025; therefore, we need to approve the minutes of that meeting. They are posted on the website. Is there a motion to approve the minutes of the October 16, 2025, meeting?

Membership renewals opened on September 1st, and since then, the club has gained 2,346 new and returning members. This brings the club's total membership to 3,667.

Renewals for the 2026 membership year will continue to be accepted through December 31, 2025. Dues are set at \$10 for the first person in a household and \$5 for each additional household member. All memberships will be valid through December 31, 2026.

Memberships may be renewed by going to the club's website, suncitycc.org, and clicking on the "Membership" tab.

Education: Mark Davis/Laura Giovanetti

A total of nine classes were offered in November, with 151 participants. So far, December has five class offerings. We have had many requests for Apple iOS 26 classes. Mark Davis taught the iPhone classes in the past, but due to an ongoing medical issue, he is no longer able to teach. We are always in need of instructors, so if you have a technology topic you would like to share/present, please contact Mark Davis or Laura Giovanetti.

Social: Chris Chase/Lori Fritzky

Tom is out of the country at this time and will not be able to update this report until next month; however, we do need to address any questions you have about the proposed budget that was sent to everyone about 10 days

ago. The proposed budget is on the screen.

The only question asked in advance was a clarification on which line of the budget reported the total club expenses. This is budget line 50. Are there other questions?

Since this budget needs to be approved prior to January 2026, we'll be sending the electronic ballot for you to vote on this budget later this afternoon and will be open through December 3. We will again offer \$25 Amazon gift cards to four lucky voters who will be announced at our holiday party on December 6th. Please take time to vote!
