Committees

Social Committee: Lori Fritzky.

As we prepare to request rooms for 2027, plans are underway for our 2026 Holiday Party.

Pat has contacted Armand DeMille and Darren Kady, and Lori has contacted Mike Sweat. Mike and Armand are available; Darren is not. We had a vote against Armand at our last meeting. Are we ok with contracting with Mike Sweat?

Re: Catering, Pat has contacted Downtown Deli and Lori has contacted Smoking Valley Chef. Both of us are waiting for menu options and pricing. At our last meeting, we discussed carrying out our International theme with desserts, and Kathleen Baine suggested Faye Passanisi, who prepares beautiful desserts. Upon checking, she found that Faye is not a Sun City approved vendor, but Brenda and I believe it would be possible for an individual to purchase desserts from anyone or anywhere and provide them as our desserts. Many clubs often have store bought cookie trays, specialty bakery cakes and home baked desserts. This subject is worth further exploration.

Regarding decorations, Brenda approved the International theme and has some thoughts on implementing it. Lori contacted Dianne Brooks, past president of the Travel Club, to see if they have anything we could borrow. The Club has had many International themed parties, and Dianne is happy to have us look at what they have that we may be able to use for our event. She is currently away and is available to meet with me and Brenda in a few weeks to share some ideas, if that is ok with Brenda. The Computer club also has some decorations and supplies.

Bonnie has come up with a great flyer format already!

Interior Decor: John Meeker.

Several new pictures were put up in the classroom, taken by Mr. Cortland Burt. I would have liked to put more pictures up, but it is cost-prohibitive. Every few months, they will be rotated out.

Standing Committee Reports

Education: Mark Davis/Laura Giovanetti

There were six classes offered in May with a total of 72 participants. A letter went out to instructors regarding their interest in teaching a summer session. 11 or 12 people signed up to teach in July - August.

Secretary's note: Bill Altman suggested the idea of the CC offering abbreviated learning presentations to groups outside of Sun City. This will be discussed more in the future.

Facilities: Brian Osgood

The new Brother L8930 printer had produced a total of 5471 pages on 4/29. As of yesterday, it had produced a total of 7475 pages. That is 2k pages over 26 days. Roughly 2k pages per month. The extra high-capacity toner cartridges are holding up well, looking like they still have >80% of their original toner.

After doing some research, we need to raise the prices in the Computer Club for printing and supplies. Sherry sent the info to Bonnie before leaving on her trip.

There are only three adjustments to the statement I presented at the last meeting for April: an open room cash deposit of \$110, a printer toner purchase of \$532, and a Verbatim disc drive purchase of \$48. As a result, our cash balance for April was \$42,929. After adding our certificates of deposit totaling \$33,154, our adjusted cash balance was \$76,083.
